

# *Cowichan Valley Regional Parks and Trails Strategy*

## **Come Have Your Say!**

The Cowichan Valley Regional District and the Regional Parks Advisory Group needs your input and ideas in developing a Regional Parks and Trails Strategy for the entire Cowichan Region (encompassing the nine electoral areas and municipalities of Duncan, Ladysmith, North Cowichan and Town of Lake Cowichan). What is your “vision” for a region-wide network of regional parks and regional trails, including the 140 km Cowichan Valley Trail initiative? Does your “vision” embody opportunities for active outdoor recreation activities, passive recreation, preservation of natural areas or access to open space?

Open House sessions are being held across the region at the following locations:

- **March 29, 2006 at the Lake Cowichan Curling Lounge 7-9 pm**
- **March 30, 2006 at the Cowichan Centre Social Lounge 7-9 pm**
- **April 4, 2006 at the Kerry Park Recreation Centre Social Lounge 7-9 pm**
- **April 5, 2006 at the Ladysmith Secondary School Multi-Purpose Room 7-9 pm**

### **Come on out to the venue most convenient to you!**
